CANTEEN INFORMATION

1. Ordering is done through www.quickcliq.com.au. It is easy to setup an account, choose our school, deposit funds and order recess and lunch.

2. The only other method of ordering is by sending cash in a pre-written lunch bag, or your child bringing cash and writing on their lunch bag BEFORE school starts. Free lunch bags are available from the canteen. Your child's name, their teacher's name, and their room number must be written on the bag to enable delivery. We encourage you to order recess, as this ensures your child gets the recess food they desire.

Eg. STUDENT: Claudio Sanchez
TEACHER: Mrs Cambria
ROOM #: 5

3. We no longer offer the option of direct deposit into the P&C bank account. Quickcliq is the only alternative to cash.

4. Where possible, correct money is appreciated, as change that is placed into lunch bags when returned to students may be lost. We also do not keep a large float, so would be unlikely to be able to provide change for large denomination notes.

5. If you collect your child to leave school early (for appointments, illness, etc.) and they have ordered their lunch, please inform the canteen as soon as possible. We are unable to give a refund for uncollected lunches.
